PROFILE SUMMARY

Motivated fresher in Web Development with a strong passion for coding and design. Skilled in front-end technologies and eager to expand knowledge in full-stack development. Committed to delivering high-quality web solutions and growing as a professional developer

INTERNSHIP EXPERIENCE

The MadBrains Technologies
Front-End Developer Intern

2024 - 2025

- Completed a Full Stack Web Development internship with hands-on exposure to both front-end and back-end technologies
- Designed and developed responsive user interfaces using HTML, CSS, JavaScript, React.js, and Tailwind CSS.
- Worked on databases like MySQL for storing and managing application data.
- Built and integrated RESTful APIs with Node.js and Express.js for smooth data communication.
- Implemented authentication and authorization features to enhance application security.
- Followed Agile methodology to complete tasks efficiently within deadlines.
- Gained confidence in handling end-to-end development, from UI design to backend logic and database integration.
